The Transfer Notice shall set forth the name and other material particulars of the Proposed Transferee, the number of Sale Shares, the price per Sale Share ("ROFR Price") and other terms of the Transfer and an undertaking from the Selling Shareholder(s) stating that the offer is *bona fide*. The Proposal and any other document executed by the Selling Shareholder and/or the Proposed Transferee (whether binding or non-binding by whatever name called) in relation to the Proposal shall also be annexed to the Transfer Notice. The Selling Shareholder shall ensure that such executed document explicitly states that such transaction

is subject to the Right of First Refusal and the Tag Along Right (to the extent applicable) of the Investors. In the event that the ROFR Price for the Proposed Transferee is in the nature of non-cash consideration, a determination, at the cost of the Selling Shareholder, shall be made by an investment bank/chartered accountant acceptable to the Qualified Investors (to be determined based on Super Majority Investor Consent) as to the cash equivalent of such non-cash consideration, and such cash equivalent shall be specified in the Transfer Notice.

- 10.2.2 The Investors may exercise their Right of First Refusal with respect to all or any of the Sale Shares by a written Notice ("ROFR Acceptance Notice") to the Selling Shareholder(s) within 30 (thirty) Business Days of receipt of the Transfer Notice. The Investor exercising its Right of First Refusal shall specify the number of Sale Shares it intends to purchase in the ROFR Acceptance Notice. If an Investor exercises its Right of First Refusal ("Participating Investor"), the Selling Shareholder shall be bound to sell to the Participating Investor such number of Sale Shares for cash consideration (unless such Participating Investor shall provide such non-cash consideration to the Selling Shareholder as is being provided by the Proposed Transferee to the Selling Shareholder) as specified by the Participating Investor in its ROFR Acceptance Notice but subject to that Participating Investor's share in the Sale Shares being acquired by it pursuant to the exercise of its Right of First Refusal. Such Transfer of Sale Shares should be complete within a period of 30 (thirty) Business Days from the date of receipt of the ROFR Acceptance Notice by the Selling Shareholder, excluding the time required to obtain any approval required from any Governmental Authority to effect such a Transfer ("ROFR Timeline"). If more than one Investor exercises its Right of First Refusal and the number of Sale Shares on offer are less than the cumulative number of Sale Shares which the Investors intend to acquire, then unless otherwise agreed between them, each such Investor shall be entitled to purchase such number of Sale Shares which is pro-rata to their *inter-se* shareholding on an As-If Converted Basis based on the following formula: $A/B \times C$ (where A = the number of Shares held by the relevant Participating Investor (as the case may be) in the share capital of the Company on an As If Converted Basis, B = the total number of shares of all the Participating Investors in the share capital of the Company on an As If Converted Basis, and C = total number of Sale Shares); provided that in the event that a Participating Investor does not exercise its Right of First Refusal with respect to a part or all its pro-rata share of the Sale Shares ("Excess Shares"), each other Participating Investor shall be entitled to purchase such number of Excess Shares which is pro-rata to their *inter-se* shareholding on an As-If Converted Basis and the aforesaid pro-rata computations shall apply *mutatis-mutandis* to such Excess Shares. The Company, the Founder and the Selling Shareholder shall provide customary representations, warranties and indemnities and facilitate due diligence as may be required by the Participating Investors. The Selling Shareholder can sell to a Proposed Transferee only such number of Sale Shares, which are not being acquired by the Participating Investors, or where the Right of First Refusal is not completed within the ROFR Timeline without there being a breach or default by the Selling Shareholders and/or the Company. Transfer of the Sale Shares by the Selling Shareholder to the Proposed Transferee (a) shall be subject to compliance with the provisions of Article 10.3 below; and (b) shall not be at a price lower than the price per Share, or on terms and conditions more favourable than those specified in the Transfer Notice, unless the procedure set forth in this Article 10.2 is complied with afresh.

The Founder Liquidity Shares, Internal Transfers, Permitted Transfer and Share Transfer Right shall not be subject to the Tag Along Right of the Investors. The Change in Control Tag Right A shall not apply where the Change in Control Tag Right B under Article 10.8 is applicable or the Drag

Along Sale under Article 11 is applicable. If the Transfer Notice consists of more than one series, class or type of Shares, the Investor must transfer each such series, class or type; provided however, that if the Investor does not hold any of such series, class or type, the Proposed Transferee must acquire whatever series, class or type of security held by the Investor.

Upon giving such Notice, the Investor (not being a Participating Investor) shall be deemed to have effectively exercised its Tag Along Right or Change in Control Tag Right A (as the case may be).
- 10.3.3 If an Investor (not being a Participating Investor) exercises its Tag Along Right or Change in Control Tag Right A (as the case may be) ("Tagging Investor"), the Transfer of the Shares by the Selling Shareholder to the Proposed Transferee shall be conditional upon such Proposed Transferee acquiring the Tag Along Shares simultaneously with the acquisition of the Sale Shares (being Transferred by the Selling Shareholder) in accordance with this Article 10.3, on the same terms and conditions set forth in the Transfer Notice subject to the price for the Tag Along Shares not being lower than fair market value thereof, which shall be ascertained by an investment banker of repute nominated by the Tagging Investor, provided that: (a) the Tagging Investors shall not be required to give any representations and warranties for such Transfer, except those relating to title to Shares and the legal standing, authority of the Tagging Investor; and, (b) the Tagging Investors shall be entitled to receive the cash equivalent of any non-cash component of the consideration (as specified in the Transfer Notice in accordance with Article 10.2.1) received by the Selling Shareholder.
- 10.3.4 To the extent that a Tagging Investor exercises its Tag Along Right (not being a Change in Control Tag Right A) in accordance with the terms and conditions set forth in this Article 10.3, the number of Sale Shares that the Selling Shareholder may sell in the proposed Transfer to the Proposed Transferee shall be correspondingly reduced (and the term Sale Shares shall be construed accordingly) to provide for the sale of Tagging Investor's Tag Along Shares, and any such Transfer shall be subject to Article 10.3.5.

However, if there are more than one Tagging Investors and the number of Shares being offered are more than the number of Shares which the Proposed Transferee intends to acquire, then each Tagging Investor and relevant Selling Shareholder providing the Tag Along Right shall, unless otherwise agreed between them, be entitled to sell such number of Shares which is pro-rata to their inter-se shareholding based on the following formulae: $A/B \times C$ (where A = number of Shares held by the relevant Selling Shareholder or the Tagging Investor (as the case may be) in the share capital of the Company on an As If Converted Basis, B = the combined shareholding of all the relevant Selling Shareholders providing the Tag Along Right and all the Tagging Investors in the share capital of the Company on an As If Converted Basis, and C = Sale Shares to be sold to the Proposed Transferee; provided that in the event that a Tagging Investor does not exercise its Tag Along Rights with respect to all its pro-rata entitlement ("Balance Shares"), each other Tagging Investor and Selling Shareholder shall be entitled to sell such number of Balance Shares which is pro-rata to their inter-se shareholding on an As-If Converted Basis and the aforesaid pro-rata computations shall apply *mutatis-mutandis* to such Balance Shares.

Provided that, in case of Change in Control Tag Right A, the number of Sale Shares to be sold to the Proposed Transferee shall not be reduced and instead the Proposed Transferee shall additionally acquire the Tag Along Shares to be transferred by the Tagging Investor under the Change in Control Tag Right A.

- 10.3.5 The Tag Along Shares shall be Transferred to the Proposed Transferee simultaneously with the Transfer of the Sale Shares that are being Transferred by the Selling Shareholder and if the Proposed Transferee is unable to purchase the Sale Shares and all the Tag Along Shares, the proposed Transfer shall not be undertaken.
- 10.4 **Fresh Compliance.** Subject to compliance with Article 10.1, Article 10.2 and Article 10.3 above, if any proposed Transfer is not consummated by the Selling Shareholder, within a period of 90 (ninety) Business Days from the date of delivery of the Transfer Notice to the Investors, the Selling Shareholder may sell any of the Sale Shares only after complying afresh with the requirements laid down under Article 10.1, Article 10.2 and Article 10.3.

- 12.2 Any person becoming entitled to a Share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either:

- 12.2.1 to be registered himself as holder of the Share; or

- 12.2.2 to make such Transfer of the share as the deceased or insolvent member could have made.

The Board shall, in either case, have the same right to decline or suspend registration as it would have had if the deceased or insolvent member had Transferred the Share before his death or insolvency.

- 12.3 If the person so becoming entitled shall elect to be registered as holder of the Share himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If the Person aforesaid shall elect to Transfer the Share, he shall testify his election by executing a Transfer of the Share. However, all the limitations, restrictions and provisions of these Articles relating to the right to transfer and the registration of Transfers of Shares shall be applicable to any such notice or Transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or Transfer were a Transfer signed by that member.

- 12.4 A person becoming entitled to a Share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the Share, except that he shall not, before being registered as a member in respect of the Share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company; provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to Transfer the Share, and if the notice is not complied with within 90 (ninety) days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Share, until the requirements of the notice have been complied with.

The liability of such Person shall cease if and when the company shall have received payment in full of all such monies in respect of the Shares.
- 13.6 A duly verified declaration in writing that the declarant is a Director, the manager or the secretary, of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the Share. The Company may receive the consideration, if any, given for the Share on any sale or disposal thereof and may execute a Transfer of the Share in favour of the Person to whom the share is sold or disposed of to. The Transferee shall thereupon be registered as the holder of the Share; and the Transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the Share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the Share.
- 13.7 The provisions of these regulations as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

The Transfer Notice shall set forth the name and other material particulars of the Proposed Transferee, the number of Sale Shares, the price per Sale Share ("**ROFR Price**") and other terms of the Transfer and an undertaking from the Selling Shareholder(s) stating that the offer is *bona fide*. The Proposal and any other document executed by the Selling Shareholder and/or the Proposed Transferee (whether binding or non-binding by

whatever name called) in relation to the Proposal shall also be annexed to the Transfer Notice. The Selling Shareholder shall ensure that such executed document explicitly states that such transaction is subject to the Right of First Refusal and the Tag Along Right (to the extent applicable) of the Investors. In the event that the ROFR Price for the Proposed Transferee is in the nature of non-cash consideration, a determination, at the cost of the Selling Shareholder, shall be made by an investment bank/chartered accountant acceptable to the Qualified Investors (to be determined based on Super Majority Investor Consent) as to the cash equivalent of such non-cash consideration, and such cash equivalent shall be specified in the Transfer Notice.

- 10.2.2 The Investors may exercise their Right of First Refusal with respect to all or any of the Sale Shares by a written Notice ("**ROFR Acceptance Notice**") to the Selling Shareholder(s) within 30 (thirty) Business Days of receipt of the Transfer Notice. Such Transfer of Sale Shares should be complete within a period of 30 (thirty) Business Days from the date of receipt of the ROFR Acceptance Notice by the Selling Shareholder, excluding the time required to obtain any approval required from any Governmental Authority to effect such a Transfer ("**ROFR Timeline**"). If more than one Investor exercises its Right of First Refusal and the number of Sale Shares on offer are less than the cumulative number of Sale Shares which the Investors intend to acquire, then unless otherwise agreed between them, each such Investor shall be entitled to purchase such number of Sale Shares which is pro-rata to their *inter-se* shareholding on an As-If Converted Basis based on the following formula: $A/B \times C$ (where A = the number of Shares held by the relevant Participating Investor (as the case may be) in the share capital of the Company on an As If Converted Basis, B = the total number of shares of all the Participating Investors in the share capital of the Company on an As If Converted Basis, and C = total number of Sale Shares); provided that in the event that a Participating Investor does not exercise its Right of First Refusal with respect to a part or all its pro-rata share of the Sale Shares ("**Excess Shares**"), each other Participating Investor shall be entitled to purchase such number of Excess Shares which is pro-rata to their *inter-se* shareholding on an As-If Converted Basis and the aforesaid pro-rata computations shall apply *mutatis-mutandis* to such Excess Shares. Transfer of the Sale Shares by the Selling Shareholder to the Proposed Transferee (a) shall be subject to compliance with the provisions of Article 10.3 below; and (b) shall not be at a price lower than the price per Share, or on terms and conditions more favourable than those specified in the Transfer Notice, unless the procedure set forth in this Article 10.2 is complied with afresh.

The Founder Liquidity Shares, Internal Transfers, Permitted Transfer and Share Transfer Right shall not be subject to the Tag Along Right of the Investors. Proposed Transferee ("Change in Control Tag Right A"). The Change in Control Tag Right A shall not apply where the Change in Control Tag Right B under Article 10.8 is applicable or the Drag Along Sale under Article 11 is applicable. If the Transfer Notice consists of more than one series, class or type of Shares, the Investor must transfer each such series, class or type; provided however, that if, the Investor does not hold any of such series, class or type, the Proposed Transferee must acquire whatever series, class or type of security held by the Investor.

Upon giving such Notice, the Investor (not being a Participating Investor) shall be deemed to have effectively exercised its Tag Along Right or Change in Control Tag Right A (as the case may be).
- 10.3.3 If an Investor (not being a Participating Investor) exercises its Tag Along Right or Change in Control Tag Right A (as the case may be) ("Tagging Investor"), the Transfer of the Shares by the Selling Shareholder to the Proposed Transferee shall be conditional upon such Proposed Transferee acquiring the Tag Along Shares simultaneously with the acquisition of the Sale Shares (being Transferred by the Selling Shareholder) in accordance with this Article 10.3, on the same terms and conditions set forth in the Transfer Notice subject to the price for the Tag Along Shares not being lower than fair market value thereof, which shall be ascertained by an investment banker of repute nominated by the Tagging Investor, provided that: (a) the Tagging Investors shall not be required to give any representations and warranties for such Transfer, except those relating to title to Shares and the legal standing, authority of the Tagging Investor; and, (b) the Tagging Investors shall be entitled to receive the cash equivalent of any non-cash component of the consideration (as specified in the Transfer Notice in accordance with Article 10.2.1) received by the Selling Shareholder.
- 10.3.4 To the extent that a Tagging Investor exercises its Tag Along Right (not being a Change in Control Tag Right A) in accordance with the terms and conditions set forth in this Article 10.3, the number of Sale Shares that the Selling Shareholder may sell in the proposed Transfer to the Proposed Transferee shall be correspondingly reduced (and the term Sale Shares shall be construed accordingly) to provide for the sale of Tagging Investor's Tag Along Shares, and any such Transfer shall be subject to Article 10.3.5.

However, if there are more than one Tagging Investors and the number of Shares being offered are more than the number of Shares which the Proposed Transferee intends to acquire, then each Tagging Investor and relevant Selling Shareholder providing the Tag Along Right shall, unless otherwise agreed between them, be entitled to sell such number of Shares which is pro-rata to their inter-se shareholding based on the following formulae: $A/B \times C$ (where A = number of Shares held by the relevant Selling Shareholder or the Tagging Investor (as the case may be) in the share capital of the Company on an As If Converted Basis, B = the combined shareholding of all the relevant Selling Shareholders providing the Tag Along Right and all the Tagging Investors in the share capital of the Company on an As If Converted Basis, and C = Sale Shares to be sold to the Proposed Transferee; provided that in the event that a Tagging Investor does not exercise its Tag Along Rights with respect to all its pro-rata entitlement ("Balance Shares"), each other Tagging Investor and Selling Shareholder shall be entitled to sell such number of Balance Shares which is pro-rata to their inter-se shareholding on an As-If Converted Basis and the aforesaid pro-rata computations shall apply *mutatis-mutandis* to such Balance Shares.

Provided that, in case of Change in Control Tag Right A, the number of Sale Shares to be sold to the Proposed Transferee shall not be reduced and instead the Proposed Transferee shall additionally acquire the Tag Along Shares to be transferred by the Tagging Investor under the Change in Control Tag Right A.

- 10.3.5 The Tag Along Shares shall be Transferred to the Proposed Transferee simultaneously with the Transfer of the Sale Shares that are being Transferred by the Selling Shareholder and if the Proposed Transferee is unable to purchase the Sale Shares and all the Tag Along Shares, the proposed Transfer shall not be undertaken.

12.2 Any person becoming entitled to a Share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either:

12.2.1 to be registered himself as holder of the Share; or

The Company may receive the consideration, if any, given for the Share on any sale or disposal thereof and may execute a Transfer of the Share in favour of the Person to whom the share is sold or disposed of to. The Transferee shall thereupon be registered as the holder of the Share; and the Transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the Share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the Share.
- 13.7 The provisions of these regulations as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

- (viii) Lastly, after the payments to the holders of Preference Shares, in the manner as provided under paragraph (a)(i) above are made, the Shareholders (other than in respect of any Preference Shares) shall have the right to receive such amounts from the remainder of the proceeds of the Liquidation Event (if any) which is pro-rata to their inter-se shareholding in the Company, excluding the Preference Shares.
- (ix) It is hereby clarified that, in the event that the Liquidation Event is a merger or demerger of the Company, the Company and the Founder agree to distribute the securities in the resulting entity in such a manner that the fair market value of such securities would closely represent a distribution in accordance with this Schedule.
